The Contra Costa County Public Works Department is seeking qualified individuals to fill Vegetation Management Technician vacancies in the Maintenance Division.

The Vegetation Management Technician may work in a variety of environments including rural, riparian, suburb, and flood control areas but may be asked to assist with general services in spraying other County facilities.

Our mission is to deliver cost-effective, safe, reliable, sustainable projects, programs, and quality services, as well as to provide support services that are competitive, attentive, responsive, efficient, safe, and high quality to our customers and other County Departments.

We became the first County in California to be accredited by the American Public Works Association starting July 2001 and were re-accredited in 2004, 2008, 2012, 2016, and 2020. As an accredited agency, we strive to continuously improve. We review and improve work processes regularly and are currently being re-evaluated for accreditation on a four-year cycle.

We are looking for someone who:

- Is self-motivated and enthusiastic about their work;
- Is safety oriented and communicates well;
- Works hard, has integrity, displays honesty and has a positive mindset;
- Is a team player, has a willingness to learn and demonstrates adaptability;

- Displays and understands safety application requirements;
- Has a vision/purpose; and
- Is accountable.

What you will typically be responsible for:

- Inspecting and monitoring for prohibited and restricted noxious weeds and undesirable weed growth
- Vegetation integrated pest management techniques
- Maintenance and use of equipment
- Properly mixing appropriate materials
- Handling materials
- Using chemical application methods
- Strict adherence to C DPR, County Agriculture Department Requirements
- Keeping detailed records and notes
- Working in all-weather conditions with required PPE

A few reasons why you might love this job:

- It is an excellent opportunity to grow and expand your skill sets
- You will work with dynamic and knowledgeable people
- You will be part of a great team
- There are opportunities for advancement
- Three-day weekends with 4-10's (Monday - Thursday) schedule
- Opportunities for continuing education

A few challenges you might face in this job:

- Working outdoors in all types of weather
- Performing strenuous activities
- Taking notes while learning our work area
- Equipment maintenance / Working with power tools
- Different terrain that you might encounter -- slippery, rugged, uneven

Competencies Required:

- Attention to Detail: Focusing on the details of work content, work steps, and final work products
- Professional Integrity & Ethics: Displaying honesty, adherence to principles, and personal accountability
- Legal & Regulatory Navigation: Understanding, interpreting, and ensuring compliance with laws and regulations
- Oral Communication: Engaging effectively in dialogue
- Professional & Technical Expertise: Applying technical subject matter to the job
- Reading Comprehension: Understanding and using written information
- Safety Focus: Showing vigilance and care in identifying and addressing health risks and safety hazards
- Delivering Results: Meeting organizational goals and customer expectations and making decisions that produce high-quality results by applying technical knowledge, analyzing problems, and calculating risks
- Building & Maintaining Relationships: Establishing rapport and maintaining mutually productive relationships
- Displaying Ownership and Accountability: Holding self and others accountable for measurable high-quality, timely, and cost-effective results
- Listening: Fully comprehending spoken communication
- Environmental Exposure Tolerance: Performing under physically demanding conditions

COVID-19 VACCINE REQUIREMENTS

Please note that as of August 24, 2021, Contra Costa County enacted a mandatory COVID-19 vaccine requirement for employees. Proof of full vaccination will be required of all employees, including new hires. The policy requirements can be found here:

<https://www.contracosta.ca.gov/DocumentCenter/View/72164/2021824-Mandatory-Vaccination-Policy-PDF?bidId=>

CONVICTION HISTORY

After you receive a conditional job offer, you will be fingerprinted, and your fingerprints will be

sent to the California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI).

The resulting report of your conviction history (if any) will be used to determine whether the nature of your conviction conflicts with the specific duties and responsibilities of the job for which you have received a conditional job offer. If a conflict exists, you will be asked to present any evidence of rehabilitation that may mitigate the conflict, except when federal or state regulations bar employment in specific circumstances. Having a conviction history does not automatically preclude you from a job with Contra Costa County. If you accept a conditional job offer, the Human Resources department will contact you to schedule a fingerprinting appointment.

DISASTER SERVICE WORKER

All Contra Costa County employees are designated Disaster Service Workers through state and local law. Employment with the County requires the affirmation of a loyalty oath to this effect. Employees are required to complete all Disaster Service Worker-related training as assigned, and to return to work as ordered in the event of an emergency.

EQUAL EMPLOYMENT OPPORTUNITY

It is the policy of Contra Costa County to consider all applicants for employment without regard to race, color, religion, sex, national origin, ethnicity, age, disability, sexual orientation, gender, gender identity, gender expression, marital status, ancestry, medical condition, genetic information, military or veteran status, or other protected category under the law.
