

COUNTY ENGINEERS ASSOCIATION OF CALIFORNIA

37TH ANNUAL CEAC NORTHERN CALIFORNIA BEDROLL CONFERENCE AUGUST 1 THROUGH 3, 2018

You are cordially invited to the 37th Annual Northern California Bedroll Conference at Lake Almanor in Plumas County. This Tri-Regional Northern California, Sacramento Motherlode and Bay Area (now combined) CEAC meeting brings together Public Works Directors, our partner agencies, and senior staff from the three regions in an informal atmosphere to discuss new and challenging aspects we face today.

The meeting is held at Camp Conery, a PG&E campground near Canyon Dam adjacent to Lake Almanor. Lodging consists of rustic cabins with bunk beds, including mattresses. You should be prepared with your own bedroll, pillow, towels, and toiletries. Parking is limited so carpooling is encouraged. Beds are assigned on a first come first served basis so you may want to be prepared with an alternative such as a cot, vehicle or tent if the cabins fill up.

We have several speakers lined up on current and interesting topics to address the many challenging aspects of public works. Topics include the latest information on emulsions and pavement preservation treatments being developed by the California Pavement Preservation Center, We will also receive briefings from CEAC, CSAC, FHWA and Caltrans Local Assistance to find out what the latest is in these fast changing times.

The \$50 registration for County Representatives and \$100 registration for others covers the cost of the luxury cabins, fine meals and refreshments. Registration forms and payment should be sent directly to CEAC and sent to Scott DeLeon at the address on the registration form. For those interested in golf on Wednesday, please respond directly to John Quincy at johnq@quincyeng.com.

To allow us to plan accurately for the food and refreshments, as well as to assure a bunk bed if that is your choice, please send your registration form and fee to Scott DeLeon as soon as possible, but no later than July 27, 2018. If you have any questions on the conference, please contact me at 707-263-2341 or via email at scott.deleon@lakecounttyca.org.

Scott De Leon
2018 Conference Coordinator
