

## **CEAC Board of Directors**

CEAC Public Works Officer Institute (PWOI)  
Friday, April 5, 2019 10:00 am – 12:00 pm  
Paradise Point Hotel  
1404 Vacation Road, San Diego  
Sunset III Room

---

### **1. Call to Order (Porter)**

Meeting is called to order at **10:00** a.m.

### **2. Approval of Minutes (Tippett & Kokkas)**

#### **September 13, 2018 – Attachment One - Action item**

Tippett – Delayed. No attachments, we will bring the September 13 minutes to the policy conference.

#### **November 30, 2018 – Attachment Two - Action item**

Minutes are attached. Motion to approve Tackabery, 2nd Penrose; **Approved**

### **3. Correspondence (Porter)**

Porter – This week we send the NACE Report to NACE, (thank you Merrin). I failed to send a letter to the CLODS inviting them to this conference so it will not be in the correspondence. I think I paid for that for at least for the next year through winning the Buffalo Bull award last night. That's all the correspondence.

### **4. CLODS Report (CLODS)**

Sadjadi – The program last night was enjoyable, *except it was too much of DeChellis*. It is preferable to have additional CLODS involved in the presentation of the Buffalo Bull Award.

### **5. NACE Report (Penrose)**

Penrose – New this year findings by NACE report is to have advocacy for a number of issues; NACE paired with NACO and went to Washington in February to advocate on a number of issues, the concept was suggested by our own Scott McGolpin, if you remember we did that a few years ago. NACE/NACO met with representatives of the federal DOT and Public Works committees for future bills, and to include direct federal allocation to locals; they also discussed the long term solvency of the transportation trust fund. This was a new process for NACE. The NACE annual conference will be in Wichita the week after next week, and a number of us will be there and will host the *Snappy-Tom* event. The 2020 NACE conference will be in Alabama, don't remember the city, but it is on the coast. NACE 2021 is anticipated to be in California, and at that time Scott McGolpin will be the president of NACE.

Porter – Just failed to mention that I submitted our Engineer of the Year Pat Minturn for the NACE Engineer of the Year award, and a project for San Joaquin County for consideration.

### **6. CSAC Report (CSAC Staff)**

Lee – Very engaged in the legislative session, process just kicked off, with new legislators and a new Governor, tracking many housing bills, and lots of bills in transportation, most bills should be through the policy committees in the next three to four weeks. Legislative session is coming up in a few weeks, with not much in

## CEAC Board of Directors

Friday, April 5, 2019|10:00 am – 12:00 pm

---

transportation, mostly in housing. The Governor promised to be there in the morning session. We are figuring how to work with the new administration.

Martinson – First time we had a same party transition for a governor in a long time so many growing pains associated with that as some people are staying on; and we don't know how long it will be as there is a continuous transition. There is an ongoing debate about wildfire utility liability and expect a bill to come out of the governor's office sometime next week.

Gerety – Attendance slightly down this time but have 35 counties in attendance.

### 7. Regional Directors Reports

- S. California – Romo; was at the conference, however, unable to attend; the following information was provided in writing: Had a regional meeting on March 21, 2019. We talked about fire response and recovery, and planning and preparation for subsequent debris and mud flows during storm events. We are all dealing with fires, evacuations of large communities during the fire and then again when it rains in anticipation of flood damage. We've been able to network and share experiences. We talked about traffic safety. LA County has a new Vision Zero program and Riverside County launched a safety campaign with billboards over the Christmas holiday with the theme 'Eyes on the Road'. Our next meeting will be held in San Bernardino County on June 20th.
- Sacramento Mother Lode – Pack; met on January 23 shortly after the governor threw the landmine of tying the housing to SB1 17. Cara and Merrin were in attendance and we had a good discussion, also the District 3 DLE from Caltrans, FHWA, and SACOG representatives provided valuable information. Our next meeting is May 15, at 10 am, in Sacramento and everyone is invited to attend.
- Northern California – DeLeon; since we have been busy with fires and floods we did not meet for some time. I commit to visit every public works director in my region before the fall conference, the majority of these directors are not at this meeting.
- Central Coast – Flynn; had our meeting last month and were excited to have Mr. Porter in attendance; also excited to have San Benito and Monterey counties attended, which certainly has not been frequent occurrence. We spend a lot of time trying to get them involved, several common regulatory concerns should entice them to attend and bond over. We are also using the "Go to Meeting" with the surrounding counties technical staff to share information.
- Bay Area – Tackabery; Met on January 28 and set calendar for the year, working with Merrin to show our meeting notices on the CEAC web page, our topic for our May meeting is the PG&E bankruptcy. We will be adding agenda items as we move forward.
- San Joaquin Valley – No Report, Balaji; was at the conference, however, did not attend this meeting due to scheduling conflicts.
- CEAC Newsletter Editor – DeChellis; just a reminder the schedule for the regional reports for the newsletter is as: for the spring 2019 S. California committed; June 2019 Bay Area; September 2019 San Joaquin; December 2019 Sacramento; March 2020 N. California; and June 2020 Central Coast. DeChellis will continue sending reminders to the Regional Directors and reminded everyone to "*Just remember to send Lots of PICTURES, not many words, pictures are more stimulating as I can't read worth a ---*" (?)

**8. Treasurers Report (Sadjadi) – Attachment One – Action Item (2019 CEAC Budget)**

Treasurer’s Report:

Mr. Crump was not attending and Treasurer Emeritus (Sadjadi) presented the Treasurer Report for period ending March 12, 2019 and the 2019 Final Budget.

- a) The financial information is shown in attachment one “County Engineers Association of California 2019 Final Budget”. After a brief discussion clarifying the contents of the information in the attachment it was a motion to accept the report. Motion to accept the Treasurer Report: DeChellis, 2nd Penrose; **Approved**. Opposed Pratt.
- b) 2019 Proposed Budget. After a brief explanation of the contents of the proposed budget in the attachment referenced above it was a motion to approve the budget as shown. Motion to approve the 2019 Final Budget: DeChellis, 2nd Pratt; **Approved**. Opposed Pratt.

**9. Committee Reports**

- a) Oversight – Porter – I think everybody in this room was at the meeting, discussed setting up an administrative committee, hosting NACE 2021 and bedroll and the issue of affiliates.
- b) Fellowship – No Show and no Report. But the hospitality suite was well attended and it went fairly well.
- c) Flood Control and Water Resources – Martinson – Leamon was absent - Very full agenda and well attended lots of attention as we were at the state water board and the “waters of the state,” heard from the CSAC federal lobbyist in DC about related water issues and other things about the many issues, well attended and great meeting. - Balbas – If I can just add to that, I do want to say that the work Cara and Nick did related to the “Waters of The State,” and working with the team, Vincent Gin from Santa Clara Valley Water District was fantastic given the circumstances, you guys really did a lot of good work in trying to get some of the exemptions we were looking for and trying to get some changes to the policy what the state board is doing. I really appreciate your work with the Flood Control Committee and the consultants.
- d) Land Use – Minturn – Two issues one already mentioned by Cara the commission studying wildfires and focusing on the PG&E bankruptcy. The second item was the need for land surveyors and what will be the requirements for civil engineers to obtain a surveyors license.
- e) Resource Recovery and Waste Management – Martinson – Goncharoff was absent - There is a lot happening we discussed Cal Recycled SB 1383, the committee did an excellent job answering questions and soliciting input on regulations relating to solid waste.
- f) Scholarship – DeLeon – Time again to solicit applications for scholarships, and I will be reaching to regional directors in the next week or so. We also like to consider an employee of the year award (not a county engineer) someone at the staff engineer

---

level and introduce the person during the Fall CEAC conference. This is a good way to recognize younger staff and introduce them to CEAC. Scott will reach out to regions for recommendations/selection for the award.

- g) Surveyor – Cronenwett - Jevremovic was absent – We had a legislative update and talked about some bills, there talking about updates on the record of surveys and corner records. We ha a guest speaker who spoke about geodetic data modernization.
- h) Transportation – Fleisch – Anybody not at Transportation? Lee chimed in “I have an update on my update of the McCarty bill that connected SB1 to housing production will be amended and will remove the link to transportation funding, no more SB1 link that is our goal.” Thanks to Chris Lee for the good work on that. I also like to thank Chris for the interesting guest speaker from AGC, we had an informative discussion; it is something we like to take back to our local areas and get our local AGC contractors engaged and see how we can work together.

### 10. Life Membership

- a) Mike Carlson, Contra Costa County (Tackabery) - Porter – Received a recommendation for life membership for Mike Carlson, from the Bay Area Regional Director. Since the Scoring sheet was not attached I will read it for your information. Sadjadi – I like to follow the guidelines. Porter – I will read each item (**items are shown in the nomination form after the list of attendees**) *Someone asked if stealing a golf cart last night would add or deduct points in the nomination form? No Answer.* Motion to Approve: Pratt, 2<sup>nd</sup> Tackabery. In discussion Sadjadi - stated that “Mike was very outspoken and counter to DeChellis for some time, we are sad for losing him.” Balbas - mentioned that ‘Mike was very active in Contra Costa and CEAC and will be happy to make him life member. Motion **Approved** unanimously

### 11. Unfinished Business

- a) Hosting NACE 2021 – **Discussion Item/Action Item** (Penrose). Porter – The item was discussed in previous meetings, and earlier in the Oversight Committee; Porter and Machado volunteered to be the Co-Chairs for the 2021 NACE conference in California and will begin appointing chairs to committees as needed. Motion to approve 2021 NACE conference Co-Chairs: Pratt, 2nd Sadjadi; **Approved** unanimously.
- b) Western Regional Triannual Conference and Exposition (McGolpin/Penrose)– **Discussion Item**. Penrose - This is a new, triannual conference being planned by NACO for July 11-15, 2019, in Las Vegas at the Paris Hotel, as was described last fall by Steve Ltoski, Public Works Director for Mohave County Arizona and president of the Arizona Association of County Engineers. We did not have a follow-up or more information. Wilson – Sometime in the 1990’s the NACE conference hosted by California in Nevada as an attempt to get Nevada involved, however, Nevada did not participate. The discussion ended without any action.
- c) Digitizing Archival Materials (Pratt) - **Discussion/Action Item**

## CEAC Board of Directors

Friday, April 5, 2019|10:00 am – 12:00 pm

---

Pratt – We receive and have lots of information that needs to be preserved and to be accessible by digitizing it, and organizing it. Pratt volunteered to help with the organization after the material has been digitized. Merrin has digitized the old newsletters. It is estimated that \$5,000 should be enough to complete the process. Tippett mentioned according to Dave Gravenkamp there is over a car load of materials to be digitized. Sadjadi – stated we have the funds to complete the project, and need a motion to authorize the funds. Motion to approve funds not to exceed \$5,000 by Pratt, 2nd Penrose; **Approved** unanimously.

- d) CEAC Affiliate sponsorships (Porter) - **Discussion/Action Item**. Porter - Had a discussion with Pattie at Oversight regarding equity for affiliate sponsorship, and was decided that Porter and McNamee will work together for an acceptable solution. Motion to approve: Porter, 2<sup>nd</sup> DeChellis; **Approved** unanimously.

### 12. New Business

- a) Ad-hoc Membership Committee (Porter) - **Discussion/Action Item**  
Porter – This also was at Oversight, it is the change from an Ad hoc Membership Committee to Administration and Special Tasks, and it will be an Ad hoc committee, Oversight recommended it; technically the BOD does not need to approve this, however, I like to get consensus on this and **make a motion**, “concurring with Oversight and the President’s recommendation to have an Ad hoc committee” 2<sup>nd</sup> Pratt. The committee will also involve membership, not a full committee but will be part of the regular structure for conferences. **Approved** unanimously.
- b) Payment of CEAC Dues/Fees using Credit Cards (Porter/Crump) - **Discussion/Action Item**. Porter - Payments by credit card by affiliates. Sadjadi – the card payment method costs an administrative fee to the organization and we are not collecting the stated amount. Discussion mentioned that in all counties the card owner (beneficiary of card user) pays the administrative fees so the entity gets the set amount. After a lengthy discussion it was proposed for CEAC to absorb the credit card administrative fees. Motion it’s the cost of doing business and CEAC to absorb credit card fees Tackabery, 2<sup>nd</sup> Pratt. **Approved**. Opposed Sadjadi.

### 13. Scheduled Conferences

- a) NACE Annual Conference, Wichita, Kansas, April 14-19, 2019
- b) CSAC Legislative Conference, Sacramento, April 24-25, 2019
- c) Public Works Secretarial Seminar, Sonoma County, May 8-10, 2019
- d) Northern California Bedroll Conference, Plumas County, July 31-August 1, 2019
- e) CEAC Policy Conference, Sacramento, August 28-29, 2019
- f) CSAC 125<sup>th</sup> Annual Meeting, San Francisco, December 3-6, 2019
- g) Public Works Officers Institute (PWOI), Monterey, March 20, 2020
- h) NACE Annual Conference, Orange Beach, Alabama, April 19-23, 2020

### 14. CEAC Board of Directors Meeting Schedule

- a) August 29, 2019 (CEAC Policy Conference)
- b) December 6, 2019 (CSAC Annual Meeting)

## CEAC Board of Directors

Friday, April 5, 2019|10:00 am – 12:00 pm

---

### 15. Adjourn

Motion to Adjourn: DeChellis, 2<sup>nd</sup> Porter; **Approved**

Meeting Adjourned at 11:26 a.m.

## Meeting Roster

<b>Officer</b>	<b>Office</b>	<b>County/Organization</b>
