invites applications for the position of:

Senior Civil Engineer-Airport-20372003A

SALARY: \$101,296.00 - \$124,571.20 Annually

OPENING DATE: 06/02/20

CLOSING DATE: 06/28/20 11:59 PM

JOB SUMMARY:

The County of San Diego is currently accepting applications for the position of:

Senior Civil Engineer-Airport

Effective June 19, 2020, the pay for Senior Civil Engineer will increase by 1.5%

Senior Civil Engineers are responsible for performing, supervising, and coordinating professional civil or structural engineering work in the field and office. This is a lead/supervisory level job class responsible for managing highly visible and sensitive projects. The current vacancy is located in the Department of Public Works, however this eligible list may be used to fill other future vacancies.

POSITION DESCRIPTION

This position will be assigned to County airports and may involve working outdoors, noisy environments, exhaust fumes, etc. Click [here](#) to review the complete job description, including minimum qualifications, examples of duties, essential functions, etc. Click [here](#) for information about County Airports.

MINIMUM QUALIFICATIONS

Current registration by the State of California as a Professional Engineer, **AND**,

1. Two (2) years of post-registration experience performing professional civil or structural engineering work; **OR**,
2. Two (2) years of experience as a Civil Engineer with the County of San Diego.

EVALUATION PROCESS

Qualified applicants will be placed on a **twelve (12) month** employment list based on scores received during the evaluation of information contained in their employment and supplemental applications. Please ensure all information is complete and accurate, as the responses you provide on the supplemental application questionnaire will be reviewed using an automated evaluation system. If you are successful in the initial screening process, your application will be reviewed individually to confirm that the information you provided is accurate and qualifying.

Reasonable accommodation may be made to enable qualifying individuals with disabilities to perform the essential functions of a job, on a case-by-case basis.

The County of San Diego and its employees embrace the Live Well San Diego vision: A region that is Building Better Health, Living Safely and Thriving. For more information www.livewellsd.org.

Under California Government Code Sections 3100 - 3109, public employees are designated as **disaster service workers**. The term "public employees" includes all persons employed by the state or any **county**, city, state agency, or public district. Disaster service workers are required to participate in such disaster service activities as may be assigned to them by their employer or by law.

The County of San Diego is committed to valuing diversity and practicing inclusion because our diverse workforce is our greatest asset and our customers are our number one priority.
