PUBLIC WORKS DEPARTMENT

Nevada County Public Works is dedicated to providing the best customer service possible to maintain public health and safety within the purview of the 6 Divisions of Public Works: Engineering, Fleet Services, Road Maintenance, Solid Waste, Transit and Wastewater. As part of the Community Development Agency, Public Works is also committed to advancing the quality of life for a vital Nevada County.

The Position

The Public Works Director is an at-will position that reports directly to the Community Development Agency Director and provides expert professional assistance to the Board of Supervisors and County management staff. This position has high level oversight of all activities and operations of the Public Works Department and provides leadership in the on-going management of department programs. The Director is accountable for accomplishing County Public Works goals and objectives.

The Ideal Candidate

The Public Works Director will be an effective communicator, able to quickly earn the respect of colleagues, community members, and subordinates through a leadership style rooted in collaboration, inspiration, supportive mentorship, responsiveness, and modeled behavior of professionalism and integrity.

The successful candidate will also be a skilled change agent adept at creating a positive team environment, empowering employees to improve quality, productivity, and achieve high performance, while holding staff accountable.

The successful candidate will possess exceptional management, interpersonal, and communication skills with a hands-on and proactive approach to addressing a broad range of challenges and be a strategic and innovative thinker able to implement various programs, initiatives, and mandates that support Nevada County Leadership, Board of Supervisors, and community needs.

Strong public presentation skills are highly valued. Ability to build and maintain strong trust among diverse stakeholders is essential to this position as well as the ability to operate with a focus on transparency and timeliness. Delivery of projects, on-time and on-budget is paramount to the success of the Public Works Director.

The Public Works Director will be personally and actively involved in promoting community engagement and encouraging open dialogue in the review and evaluation of Public Works services and initiatives.

Finally, the ideal candidate will have personal traits and professional attributes that include:

- ◇ A balance of compassion and organizational agility to effectively address controversial and sensitive issues
- ◇ Dynamic and collaborative, with the ability to anticipate and capture opportunities for private and public partnerships
- ◇ Able to execute initiatives that enhance customer service beyond department boundaries and make decisions based on a holistic community perspective
- ◇ Motivated by community and employee engagement
- ◇ A leader with integrity and strong core values that are demonstrated consistently through decisions and actions
- ◇ Able to effectively coordinate, prioritize, and integrate multiple programs in a cohesive and effective manner, securing cooperation and teamwork
- ◇ Engaged and focused on transparency, visibility, and educating the community about the Public Works Department
- ◇ Perseverance when working under pressure and serves as a foundation of resolve for the team during times of stress and pressure
- ◇ Able to build teams and relationship opportunities, and actively champion and participate in staff and leadership team building activities
- ◇ Politically astute with exceptional organizational acumen
