## County Engineers Association of California (CEAC) Memorial Scholarship Program

The County Engineers Association of California will grant up to three \$2,000 cash scholarships to qualified Engineering or Land Surveying students for study leading to a bachelor's degree in civil engineering or land surveying.

Each student must be enrolled in upper division course work leading to a Civil Engineering or Land Surveying Degree, with a high-grade point average, have demonstrated a need for the scholarship, and have participated in related outside activities such as a Student Chapter ASCE, Student Member CLSA or American Public Works Association. These various factors, including outside activities, will be considered in awarding the scholarship.

## CEAC Memorial Fund and Scholarship Committee:

Chair - Alicia Meier, Mendocino County
